“But now thus saith the Lord that created thee O Jacob, and He that formed thee, O Israel, Fear not for I have redeemed thee, I have called thee by My Name, thou art mine. When thou passest through the waters, I will be with thee; and through the rivers, they shall not overflow thee.”

Isaiah 43:1-2

List of the names of the victims

of the arrest and ultimate death of the entire Jewish Community of Hania between 29 May and 10th June 1944

May 12, 2002

Author: N. Hannan-Stavroulakis

The memorial niche in the south courtyard of the synagogue for the Hania victims.

The list has been composed from several sources.

There are two main police lists that were made under German orders for the purpose of obtaining the names and addresses of the entire Community. Both were prepared by Rabbi Osmos of Hania who had succeeded to the post after the death of Arch-rabbi Abraham Evlagon in 1933.

The first was made up shortly after the occupation

of Hania by the Nazis when Shehita was forbidden and the knives used by the Shohet were submitted to the Nazi High Command. The second list was made up a few months before the arrest of the Community. By this time a number of Jews had come to Hania from elsewhere.

The personal names are given in connection with family names and do not conform to Jewish custom of indicating the father. Many of the women’s names are followed by the names of husbands rather than of their father.

(At a later date the complete details of the persons listed below will be added -age, occupation, place of birth and address in Hania).
